Hi Everyone – R7 West Lake Landfill is now on the schedule for the Fall. They have an RA mandated deadline to get the proposed plan out by 12/31. R7 would like the meeting to be held the week of October 24-28. Will San Jacinto make that schedule?

OK, Carlos. The next meeting will be the week of Nov 16th. We already have Portland Harbor scheduled for 11/18-19. I will need to see if the hotel has rooms/conference space for the 17th.

Amy,
It has taken longer than expected to get the modelling and analysis report from the Corps of Engineers.
So, it is looking more like in the fall, I believe the next one is in November which should work for us.

Hi Carlos and Gary – How's it looking for reviewing San Jacinto in July?

Thanks Amy,

The Corps of Engineers will be conducting an independent evaluation of the San Jacinto alternatives. We recently received their estimated schedule and it appears that they will need 6 to 9 months to conduct their evaluation (which includes extensive modeling).

So it appears that we will have to move the San Jacinto review to the July 2015 date. We will check back in the Spring of 2015 and see if we need to make any more changes to the schedule. CAS
